BrEACC is a charitable non-profit organisation mainly supported by the monthly fees paid by its students. This continuing support is essential to the day-to-day running of our school and any changes are of critical importance. If a student is unable to continue at the school, we ask the student or those responsible, to communicate this by completing this form as soon as possible, but not less than one month prior to leaving. It is also very helpful for us to understand the reasons for leaving so that we can address any issues which may be under our control.
